Article III – of the Town Code states:

STORAGE AND COLLECTION OF SOLID WASTES

Section 11-16 Responsibility for Providing Adequate Solid Waste Receptacles (Amend. 10/14/80)

- (a) The owner of every premises shall bear the ultimate responsibility for providing adequate solid waste receptacles to store the solid wastes that are typically generated by activities taking place on those premises pending removal (by town crews or otherwise).

Section 11-18 Storage and Collection Practices; Premises Served by Dumpsters (Amend. 10/14/80)

- (a) All dumpsters serviced by the town shall contain a sign permanently visible to those using the dumpster, stating that no recyclable corrugated cardboard or aluminum cans may be placed in the dumpster. Such signs shall be placed on all such dumpsters by no later than March 1, 1996. (Amend. 11/21/95)
- (b) With respect to premises served by dumpsters:
 - (1) The location of dumpsters shall be determined by the public works director and, whenever possible, this determination shall be made after consultation with the owner of the premises concerned. In making this determination, the public works director shall consider the welfare of the occupants of the premises, neighbors and passersby, and the town's need to facilitate collection and minimize the cost of service.
 - (2) Solid wastes shall be collected from the dumpsters by the town where the dumpsters are located by the Public Works Director.
 - (3) The public works director may require that screening be provided around dumpsters if he determines that such screening is necessary to prevent solid wastes from being scattered about the site or transported onto neighboring properties or if the location of the dumpsters is such that, in the absence of screening, the dumpsters would present an offensive appearance or cause offensive odors to be transmitted to occupants of the site, neighboring properties or passersby by: (Amend. 9/22/82)
 - a. Being severely rusted;
 - b. Having functioning parts either missing or not in workable condition;
 - c. Being in disrepair to the extent that solid waste contents are spilled out when a dumpster is serviced by the collection vehicle;
 - d. Having solid wastes routinely around the dumpster for whatever reason;
 - e. Having the doors routinely left open;
 - f. Having a poster or posters attached to it;
 - g. Having a message painted on the dumpster in an unorganized form; for example, "No parking in front of dumpster" should be placed with a stencil;
 - h. Having the paint severely chipped, faded, or otherwise worn off; or
 - i. Being located within 45 feet of an existing residential structure on adjoining property.
 - (4) All solid wastes shall be stored in dumpsters pending collection by the town. No solid wastes not placed in dumpsters will be collected by the town, except in accordance with Section 11-20.
 - (5) All dumpsters shall be cleaned periodically to minimize offensive odors, and the tops or openings to all dumpsters shall be kept securely fastened at all times pending collection.
 - (6) No person may place within any dumpster any solid waste without the permission of the owner or occupant of the premises on which the dumpster is located. (Amend. 12/15/92)
 - (7) No person may place within any dumpster any solid waste that may not be placed for collection within mobile containers, as specified in Section 11-19. (Amend. 12/15/92)
 - (8) No person may place within any dumpster serviced by the town any recyclable corrugated cardboard. For purposes of this subsection, corrugated cardboard means cardboard that has three layers, including any inner wavy layer, and is the type generally used for most boxes, and recyclable corrugated cardboard means cardboard that is not waxed and is not contaminated with other materials (e.g., pizza boxes with food and oil). (Amend. 11/21/95)

Section 11-23 Miscellaneous (Amend. 10/14/80)

- (a) Collection routes and schedules. The public works director shall establish collection routes and schedules and may alter these routes and schedules from time to time. A copy of the current routes and schedules shall be kept on file in the office of the town clerk & on the Town's website (TownofCarrboro.org). Notice of any changes in routes or schedules shall be published in the local newspaper at least ten days before the changes are to become effective.
- (b) No person may damage, displace, or otherwise interfere with solid waste receptacles or solid wastes stored or prepared for collection except with the consent of the owner, lessee, or occupant of the premises where those receptacles or solid wastes are located.
- (c) To assist the town in the enforcement of this article the owner of any premises that is occupied by another shall provide to the town upon request the name of such lessee or occupant.
- (d) In addition to other enforcement remedies set forth in Article V of this chapter, the town may refuse to provide collection service to any premises where violations of this article exist. Without limiting the generality of the foregoing, the town may refuse to service any dumpster or mobile container that contains wastes that are not permitted to be stored therein. (Amend. 12/15/92)
